

The UCSF Communicators Network is will be closing down their ListServ later this month. Please join the discussions via Chatter, which can be used both online and offline – think of it as ListServ meets Facebook. If you haven't set up your profile yet on Chatter, it is very easy to do and to join the group by following these instructions:

1) Login to MyAccess.

2) Scroll the list to find UCSF Chatter and add it as a favorite. Click on “UCSF Chatter” to enter the Chatter site. If you don't see it listed, click on “All Apps” next to the categories search box at the top of the page.
